

# COVID 19 UPDATE

## Scamps Gymnastics is Open!

We have made many changes to our program to provide a safe environment for our students, parents, and staff. Among the changes...class sizes will be smaller, start times staggered to maintain safe traffic flow, lesson plans designed to keep students socially distanced, gym and lobby cleaning increased, and daily screening and temperature checks of staff who wear masks at all times. A complete list of our policies and procedures can be found [here](#).

Pursuant to the Governors Executive Order #83 declaring a Public Health Emergency and Emergency Order #1 relating to preventing the spread of COVID-19 by requiring face coverings in certain situations, face masks will be required for all participants in our program except for children in the parent and me classes( parents will still be required to wear a mask) effective Saturday, August 1, 2020.

We appreciate everyone's understanding, support, and cooperation as we all do our part to help control the spread of COVID-19 in our community. We would also like to thank all our parents for your trust and patronage and assure you that our staff will continue to strive to provide all our athletes with a safe and fun learning experience.
